Kia Kima Winter Camp

Frequently Asked Questions

What is Winter Camp?

Winter Camp is a mini long-term camping experience. Participants will be able to work on advancement while enjoying the beauty of the Ozark mountains in the winter.

What about the food?

All meals will be provided and served in the dining hall. Meals will be served in a modified family style where some items are on the table and some items are served in a line.

Will I need to provide my own tent and bedding?

Yes, participants must bring their own tents and bedding. All camp tents are stored for the winter.

What time do we show up?

Please plan on checking in between 2:00 and 4:00 PM.

Will there be a trading post available?

Yes, the trading post will be open for your convenience.

Do I need a Physical for each participant?

Yes, you will need a minimum class I physical. A class I physical is a basic health history with allergies and medications listed. If you have your physicals for summer camp, bring those.

How do we register for Winter Camp?

Once you pay your initial deposit of \$25, your leader will be emailed a username and password for our online registration system. Visit www.kiakima.com to access the registration system. Enter your username and password and enter the system.

Will Showers be available for Winter Camp?

We are happy to announce the new East Shower House will be operable for Winter Camp 2007. This facility has 4 individually stalled showers and toilets. This facility is also heated.

6. Follow the drop down menus and select your choice of classes

7. You may select a class by clicking on it. It will automatically add it to his schedule.

2007 Winter Camp Merit Badge Descriptions

COPE – Challenging Outdoor Personal Experience. Teamwork is the name of the game here. Your scouts will learn to work with each other through the use of high ropes and initiative games. This program lasts all day for both days.

Crime Prevention - Being a victim of violent crime is a very real possibility in this day and age. This merit badge explores ways to recognized potential threatening situations and also ways to avoid them.

Auto Mechanics - Have you ever wanted to learn how to change a tire, check fluid levels, or maintain your vehicle? This merit badge will explore all these items.

New Scout Program- Many of the Tenderfoot through First Class requirements will be completed in this badge.

Archery – Archery experience is highly recommended before signing up for this badge. Scouts will learn the intricate details of archery such as making a string and arrow.

Shotgun Shooting – Scouts will learn to safely use a shotgun. Scouts must qualify by shooting skeet.

Surveying - Learn how to map out a plot of land, use and transient and much more.

Wilderness Survival – Scouts in this session should plant to build and sleep in a natural shelter. Many other essential survival skills will be discussed.

Environmental Science – This badge requires taking hikes, field notes, and considerable written work. Younger Scouts are discouraged from taking this badge.

Mammal Study and Reptile and Amphibian Study – This is a combined badge. Reptile study req. # 8 cannot be completed while at camp.

Camping – Learn the essentials of camping in a wilderness setting. This ranges from tents to water purification to cooking.

Medicine - Scouts in this session will explore the world of medicine. A mini health fair will be held so that Scouts can learn such skills as checking blood pressure and disease prevention.

Engineering - Transferring motion, structural integrity, and physics are taught in this badge. Scouts will also undertake a small scale building project.

Public Health- Learn how to prevent the spread of infectious diseases. This badge will teach Scouts the ins and outs of the public health world.

Painting - A skill within itself. Scouts will have the opportunity learn how to use a paintbrush and roller. Scouts participating should bring an extra set of old clothing for this badge.

Climbing – In this badge scouts will learn how to safely tie knots and make rappels on A climbing tower. This program also involves a visit to an offsite location thats boats 80 ft. cliffs.

Photography– Scouts will explore the world of photography. Participants should bring a digital camera, if available. Otherwise, we will have a few extra.

Rifle Shooting – A very popular badge among Scouts. Learn how to safely shoot and clean rifles.

Fire Safety – Scouts will visit a fire station and learn how to protect themselves and their families in the event of a fire.

Farm Mechanics- This merit badge will give Scouts an opportunity to learn about farm implementations. Scouts will also learn about hydraulic systems, gas and diesel engines, and farm maintenance.

Space Exploration – Explore the vast unknown. Scouts will also have an opportunity to launch and recover a model rocket. All supplies are included.

Emergency Preparedness- Being prepared is the motto of the Boy Scouts. This badge will teach Scouts the importance of being prepared for emergencies.

First Aid – Learn how to take care of a sprained ankle or how to stop bleeding. Skills taught here are essential for any Scout function.

Citizenship in the World and Nation
Scouts are encouraged to read the requirements of these badges and study any of the available information prior to coming to camp. These badges will require written work, letters and the reading of documents. These badges are recommended for older Scouts.

Communication– Effective communication skills are essential for any life situation. Scouts in the badge will have an opportunity to learn the art of effective communication.

Family Life - The importance of positive family relations is reinforced in this Eagle required badge.

Plumbing - Scouts will learn different tools and techniques used in the plumbing industry. Scouts will also learn to solder copper pipe.

Winter Camp Timeline and Checklist

Troop and individual preorder merchandise forms are due in the Scout office by 12/01/07

Individual youth registration forms are due at the Scout office by 12/12/07. If your unit is registering online, you will be given a username and password once your initial \$25 deposit is recieved.

All registration forms are due by 12/12/07

All payments are due by 12/12/07

10 day out meeting 12/12/07 at 6:30 PM at the Scout Service Center. This is the last chance to alter numbers for food or merit badge scheduling. After this date, online registration will go offline.

Minimum Class I medical forms are due at Check-in.

Provisional Information

Scouts in troops that are not attending Winter Camp may come as provisional campers. The provisional troop will be hosted by staff and will stay in the handicap site. There will be transportation provided from the Scout Office for provisional scouts that need it. The fee for this service is \$25. The group will meet at the Dunavant Scout Service Center on Thursday, December 27th, and return to the office around 2:00 PM on Sunday, December 30th. Once registered, the Thursday departure time will be emailed to those that registered for transportation.

10 Day Out Meeting

There will be a 10 day out meeting on Wednesday, December 12 at 6:30 p.m. at the Dunavant Scout Service Center. This will be a chance for leaders to ask any unanswered questions and discuss any hot topics, as well make any final schedule and attendance adjustments.

General Information

Check-In Procedure

Troops are asked to arrive at Kia Kima between 2-4 P.M. Thursday, December 27. Check-in will be simple as groups will be sent directly to their campsites. A leaders meeting will be held at 4:30 P.M. at the Administration Building. We encourage at least one leader and senior patrol leader from each troop to attend. All housekeeping items will be covered at this time such as the daily schedule, rules and regulations and emergency procedures. This will also be a time to correct any registration issues.
